What is Panchkarma?

Panchkarma is very unique therapeutic procedure because of its preventive, promotive, curative and rejuvenating properties. Panchkarma has its own importance in all the Astang-Ayurveda. Ayurveda's primary aim is purification and detoxification treatment and Panchkarma is the backbone- the five therapeutic (bio – purification procedures) means of eliminating toxins from body. The Panchkarma therapies help to remove the deep-rooted stress and illness. Panchkarma

is simple and holistic ways of bio-purification. In many instances Panchkarma is made glamorous and people are misguided, Panchkarma as merely for relaxation technique. Panchkarma may lose its glory due to short cut ways of earning. There is increasing demand of technical assistants in national and international level for the smooth conduction of procedures and to stop unethical practice. Panchkarma therapies are going to achieve more global acceptance as the therapies are fulfilling the aims and goals of wholesome and positive health of human being. At National Institute of Ayurveda, an intense course- **Panchkarma Technician Certificate Course** has been designed, which is one of its kind in the country.
