MEMORANDUM OF UNDERSTANDING

CL.1 THE MoU

CL.1.1 This **MEMORANDUM OF UNDERSTANDING** (MOU) made and entered into on this 4th day of June, 2021, by and between following parties:

CL.1.2 **JIWAJI UNIVERSITY**, Gwalior, which expression shall mean and include its successors in interest and assigns of the second part (hereinafter referred to as JU), AND

CL.1.3 **NATIONAL INSTITUTE OF AYURVEDA (Deemed to be University), Jaipur** which expression shall mean and include its successors in interest and assigns of the first part (hereinafter referred to as NIA)

CL.2 PREAMBLE

CL.2.1 WHEREAS JU, Gwalior and NIA, Jaipur have realized the need for a close linkage between the two Organizations. in order to share the common interest of disseminating the fruits of academic/scientific research to the benefit of the Society herewith sign this MOU on following broad understanding:

CL.3 GENERAL

CL.3.1 The Jiwaji University has faculty scientists in Ayurveda, and other systems of AYUSH, who have enough capabilities to teach and conduct basic research in their areas of specialization.

CL.3.2. The National Institute of Ayurveda has faculty scientists who have enough capabilities to conduct Postgraduate and doctoral research in Ayurveda and allied biomedical sciences.

CL.4 ACADEMIC AND DEVELOPMENT PROGRAMMES

CL.4.1 The faculty of NIA and JU may participate in the teaching and doctoral research programs of each other's Institution in subjects/areas of mutual interest. To accomplish it, there

may be exchange of faculty members/Ayurvedic physicians/research students between JU and NIA.

CL.4.2 The faculty of various divisions of NIA and faculty members/Physicians of Health Centre/Pharmacists/Biomedical departments of Jiwaji University will work towards joint research projects in areas of mutual interest, thereby mutually using leading research facilities developed at NIA and Jiwaji University.

CL.4.3 Research scholars/scientific staff working in different disciplines at NIA may register for Ph.D degree to be awarded by Jiwaji University and vice versa (not exceeding 5-6 registrations). The maximum number of registrations may be relaxed, if required so, at the discretion of Vice Chancellor of concerned Institute.

CL.4.4 Ph.D course work: The course work for those admitted either at Jiwaji University or NIA may be conducted either at either of the Institutions as per mutual convenience. The centre of course work examination, however, would remain Jiwaji University/NIA as per mutual understanding.

CL.4.5 The Scientists/Faculty working at the NIA/JU shall be recognized as Ph.D supervisors by the Partner Institute. The candidate may opt for Co-supervisor from either of the centres (NIA/JU) as deemed necessary for the research work. The thesis supervisor at NIA/JU should fulfill the qualifications to become a research supervisor as per relevant Ph.D Ordinance of the University.

CL.4.6 Ph. D students working at Jiwaji University/NIA will be allowed to carry out a part/whole of their research work at either of the Institutions, and the Institution will extend all necessary facilities, & expertise to the research students during their stay. While carrying out study, the students will be governed as per rules and regulations of the Institute where the student is working.

CL.4.7 Data generated through collaborative research will be published in peer reviewed journals jointly by the scientists/faculty of both the institutions.

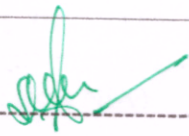

CL.5 DURATION AND OTHER TERMS OF MoU

CL.5.1 The MOU will be effective for a period of 10 years from the date of signature. The duration may be extended with the consent of both the parties under mutually agreed terms and conditions.

CL.5.2 A 'Nodal officer' may be designated by either side to coordinate and function as per the modalities of MoU

CL.5.3 It is further agreed that the Vice-Chancellor, Jiwaji University and Director, NIA through periodic meetings will monitor the progress of this MoU. Any change/ modification/termination as introduced/suggested by the Review Committee (comprising of Vice-Chancellor, Jiwaji University and Director, NIA) will be binding on both the organizations.

CL.5.3 This Memorandum of understanding reflects the respective Institution's commitments to terms and conditions mentioned in MOU. This memorandum of understanding may be amended or terminated at any time by either party provided that notice of termination or amendment is given by the notifying party to the other party before thirty (30) days of the date on which the termination or the amendment is intended to become effective. The commitments, made before the date of termination of MOU, will continue to be operative.
