ABOUT US

National Institute of Ayurveda, Deemed to be University (De-novo) is an apex autonomous Institute under the aegis of Ministry of AYUSH, Government of India. With a legacy of 175 years the Institute is promoting the growth and development of Ayurveda as a model Institute. NIA has been instrumental in bringing high standards in teaching, research, patient care including quality Ayurveda products delivery by adopting latest tools & techniques and augmenting newest technologies and concepts in Ayurveda. Taking the vision on forefront, ICAPS 2023 is being organized by Department of Rasashastra and Bhaishajya Kalpana in a manner that, it addresses the need of hour, not only limited to Academia and Industry but also of the students. ICAPS 2023 anticipates over 500-800 participants from all around the globe in this three days event.

HIGHLIGHTS OF THE EVENT

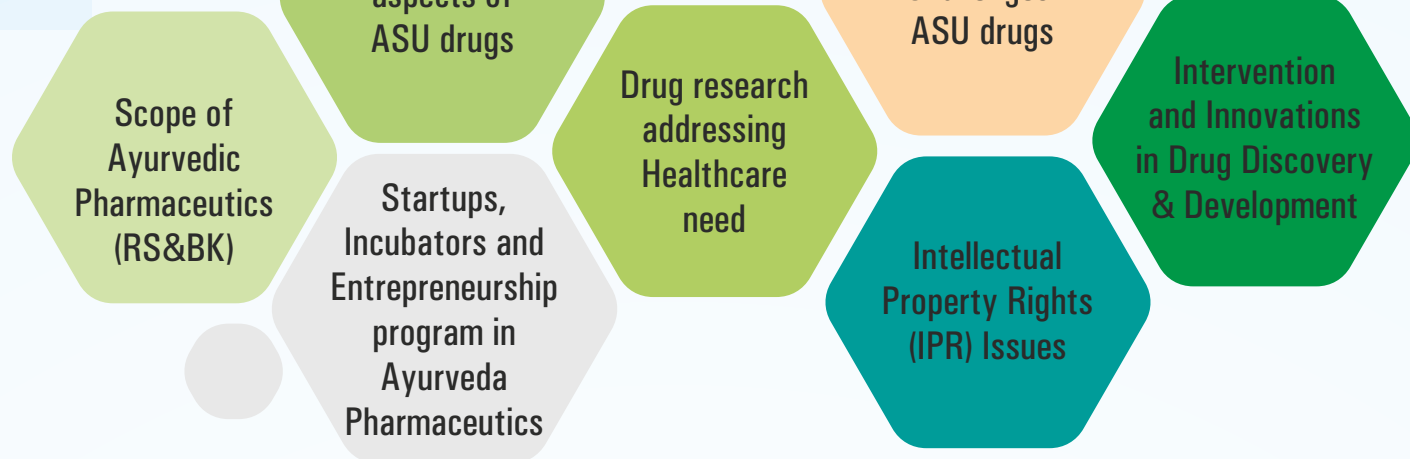

- ASU/ Plant medicines: Local to Global : Addressing National and global regulatory provisions.
- Advance Instrumentation in ASU Drug Discovery , Development
- Brainstorming sessions with IITans

ABOUT JAIPUR

Jaipur, The Pink City of India, is the Capital of the state of Rajasthan. A diverse land of rich cultural heritage Jaipur is included in UNESCO World Heritage sites and forms a part of the west Golden Triangle tourist circuit. One of the first planned cities of India, Jaipur is famous for its unique jewellery, varied textiles and sumptuous cuisine and is a royal treat for tourists all over the world. Jaipur has a close proximity with Delhi, the National Capital and is well connected to other parts of the country through air, rail and road. Weather in Jaipur is cool and pleasant in the month of February. Temperatures in Jaipur in February are comfortable with low of 20°C and high upto 25°C and it is one of the best time to visit Pink city. Economic/Budget hotels are available nearby Institute
